

**SOUTH ISLAND JUDGING SEMINAR**  
**Labour Weekend in Nelson**  
**24 & 25 October 2020**

We welcome all those interested in orchids and judging and invite you to attend an interesting and challenging seminar, so come and join us for this enjoyable and friendly weekend, make new friends re kindle friendships of the past. We intend to make this a weekend of memories for all, however we cannot promise the great weather we have been experiencing but will do our best.

This year we have a very knowledgeable and interesting speaker from the Rotorua Hills who will keep us entertained with vast knowledge and breeding experiences. We will also have some other speakers who I am sure will be passing on their knowledge in order to assist us all in the development of growing and judging our orchids. Saturday Night will start with Drinks and Nibbles followed with a Roast Meal and dessert.

Please bring a good supply of plants in bloom to Judge, it would be good to display a good table of Paphiopedilums for our guest Speaker to view what we are capable of here in the south.

Location: Woodstock Room, Stoke Primary School, Main Road, Stoke, Nelson.

Guest Speaker Selwyn Hatrick  
Paphiopedilum Grower and Clay Pot Extraordinaire.

It is hoped that Selwyn will bring plants and some pots with him for sale.
